**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a consumer, I support broadband competition. For the first time in years I have options for my broadband provider and by using a small local provider my service is much better now.

I do not support price hikes that will result in higher prices for consumers like me.
